

UNBRANDED :30 Script

ANNOUNCER:

Morning on the beach was so peaceful.

Until...it...wasn't.

Don't let type 2 diabetes get between you and your heart.

Because your risk of heart attack or stroke is up to four times greater.

But there are steps you can take to lower your cardiovascular risk.

Talk to your health care provider today about diabetic heart disease.

And find out more at heartoftype2.com

Your heart and type 2 diabetes.

Make the connection.
