Intro Voice Script - English Version:

***In this commercial, we'll show how finding the perfect outfit is an important part of feeling confident, but confidence also comes from special people in our lives.***

***Our story opens on Sofia, alone in her bedroom looking in the mirror, trying on stylish new Spring outfits. She is deciding what to wear for her first day at a new job. For each outfit, we see the great price she got it for. And with each new look, we hear a voice encouraging her. We assume it's her inner monologue.***
